## Chapter 1 Review

### Read and Write

#### Instructions

Review **Ethics in Entrepreneurship**, which was about a soon-to-be college graduate interested in starting a baked goods business. After reviewing the case study, write a 1–2 page essay about the choices Amy can make by answering the following questions:

1. What is the right thing to do? Why is it important for Amy to be honest on her self-assessment?
2. What are the risks and benefits Amy may experience as an entrepreneur?
3. How can she minimize or limit her risks?
